

M. J. (Mick) Trusty
Senior Vice President & Trust Officer
Trust & Wealth Management

Mick Trusty manages Trust & Wealth Management for Guaranty Bond Bank. In this role, he works with clients to develop investment and planning solutions for their individual and entity situations in a variety of areas including income, estate and gift taxes, portfolio management, along with trust and entity structuring. Developing specialized planning solutions for clients further involves the coordination and involvement of a client's attorney, CPA, and other advisors. This team approach, in conjunction with our Trust and Wealth Management professionals and banking service officers, we find is beneficial to address the unique needs of each client.

Mr. Trusty recently retired from a large national bank private wealth management group. He has 38 years experience in the areas of fiduciary regulation and management, plus banking and tax related planning. He is a member of the College of the State Bar of Texas and is licensed to practice law in Texas. Mick is a member of the Dallas Bar Association and holds a CTFA designation from the Institute of Certified Bankers. He has served on Philanthropic Boards throughout Texas and previously served four years as the Alumni Association Board President for Texas A&M University-Commerce. Mick presently serves on the Executive Committee of the Texas A&M University – Commerce Foundation. He has received the Gold Blazer Award, College of Business and Technology Alumni Ambassador award and the Accounting Alumni Award. He and his wife, Wanda, live in Sulphur Springs. They are members of their University's Heritage Society, plus are on the Chancellor's Council for the Texas A&M University System. Mick is a native of Fannin County and Wanda is a native of Hopkins County. They have 5 adult children and 2 grandsons.

Mr. Trusty received his BBA in marketing and finance from Texas A&M University-Commerce and earned a juris doctorate from the South Texas College of Law in Houston. As an adjunct professor, he teaches tax accounting in the College of Business & Technology at Texas A&M University–Commerce.
